THE LITTLE DEEDS.

I recken when this life is done all my deeds are wounted wise.

The Lord will force acide the fame and good and grains I struggled for the light away, with six-in a plant, the self-ish trimmphs? I have wen And know the little bindly donds that new and then I may have done.

When I am called away from earth with all its pomp and wearth and chan. And have to stand before the Judge of their waitly as I am.
I famer I shall see aright the things I allen viewed with pride.
And fearn how trival they are, as one by one they to east saude.

Sometimes I think I ree it new; when I'm seems committee I fee!
That I am lared he comme mirage of appender which I think is rea!
Yes when I've stade the distance far and resided the goal I ought in own.
I find the jet I thought was there to greater distance has flown

And an parings when life in done and I have some to peace and test. The deeds of which I thought the least man be the studied and but but. The joint was chosen from got the mana of refractions and multi-and gride. A few forgotten to only check and took the trumphs all ande. (Copyright, 1919, by Edgar A. Guest)
